The Need

The North Dallas Metroplex is one of the fastest growing regions in the United States. People from all over the world are moving to this area for several reasons such as job transfers, relatively favorable cost of living, and job opportunities. This rapid influx of new residents from all over the globe is placing numerous families in the same geographic area with similar challenges such as:

1. Their home-town is not in the region.
2. Their family lives elsewhere.
3. Most of their friends live elsewhere.
4. Their current friends are all new—within the last 3-5 years.
5. They feel isolated, disconnected from the familiar.
6. They feel alone, disconnected from people / relationships.
7. They feel disconnected from their culture.
8. They need authentic friends and an affirming community.

God's Answer

We are fully persuaded that Life-Changing Faith Christian Fellowship is a key part of God's answer to the spiritual and relational needs of all citizens of the North Dallas Metroplex. We believe that God is doing something special in Frisco and the surrounding cities through Life-Changing Faith, and we are thrilled to invite you to **COME!**

. . . **FEEL the DIFFERENCE!** Come feel the difference that anointed and theologically-sound Bible teaching can make in your walk with God. Come feel the difference that the Presence of the Holy Spirit makes in your worship experience. Come feel the difference that authentic friendships, cultural connections and an affirming Christian community can make in your daily life.

Whether you grew up in church, have never been to church or walked away years ago, Life-Changing Faith is a safe and welcoming place for you to call home.

So join us won't you? We need each other. Life is too complex to do it alone. Let's experience this Life-Changing Faith in Christ – together!
